HOLIDAY RETREAT

LOCATED IN THE HEART OF CORNWALL

For real indulgence why not check out our newest luxury accommodation, Poltair Retreat. The Retreat is detached with exclusive facilities and your privacy is assured.

Location

If you need a retreat in the country but the sea on your doorstep, you need a visit to Poltair Retreat.

Located in the heart of Cornwall this deluxe property comprises six bedrooms, five of which are en-suite and two twin rooms with zip-link beds. Our favourite boasts a four-poster bed and a Jacuzzi bath, as well as French doors which open up onto the hot-tub patio and lawn area. From here stepping stones lead to the

BBQ lodge, complete with firepit, iPod speakers and drinks fridge. Recline on the sumptuous reindeer skins until you're ready to meander back for a peaceful night's sleep.

The Social Hub

The large, open-plan living, kitchen and dining area is expertly designed with relaxation and socialising in mind. The high-spec kitchen flows through into the living space. So whether it's breakfast time, afternoon tea or evening drinks, you'll have everything you need to hand.

A RETREAT IN THE COUNTRY WITH THE SEA ON YOUR DOORSTEP

At Poltair Retreat we hope we've thought of everything, so that you can take time out to completely unwind and leave the world behind for a week or two.

Whatever your inclination there is something in Cornwall for everyone, and nowhere is better placed to enjoy all parts of this awe-inspiring region than Poltair Retreat.

Time Out

The lounge features an elegant granite archway with set-in wood burner – enjoy a social evening with friends or family, or for those peaceful moments withdraw to the quieter corner with its L-shaped leather sofa. The garden room is equipped with furniture and has doors opening onto a patio area, ideal for a relaxing hour in the shade or a peaceful evening hot chocolate.

Dine In

The dining space is completely conducive to both lively dinner parties and romantic meals for two, with its solid oak dining table with seating for 10 - 12 people. And on those warm summer evenings you can pull back the sliding doors and open up the lounge and dining areas onto the large patio.

Entertainment

One of the most fabulous aspects of Poltair Retreat is the games room, which includes a 3D cinema system with large plasma screen and six contemporary red leather seats, free digital jukebox and free-play pool and darts.

We take entertainment so seriously, in fact, that we provide a full Sky package with sports and movies, flat-screen wall-mounted TVs with built-in DVD players in each bedroom, the latest xbox games console, Wi-Fi, and Sonas wireless music system. There's also plenty of storage for bikes and surfboards.

Talking of the kids and entertainment, let's not forget the brilliant children's play area – and to make things easier for you, we have equipped the Retreat with high chair, travel cot, toddler bed and lots of games for babies and children.

Outside Space

The private garden is spacious with large patio areas and a ten-seater circular dining table with parasol and sun loungers. The hot tub, which seats 10, is situated on a lower patio level and is secluded. A raised sun deck has been specially built to capture the evening sun – complete with rattan sofa set.

There is a brilliant children's play area with certified play-bark grounding, large wooden climbing structure and big sand pit (we never said it wasn't messy...).

Then there's the BBQ lodge, decked out with animal skin rugs, which takes barbecues indoors so you're no longer limited by weather. And when a stroll on the shore and a dip in the sea is the order of the day, some beautiful beaches are only a few minutes' drive away.

Access

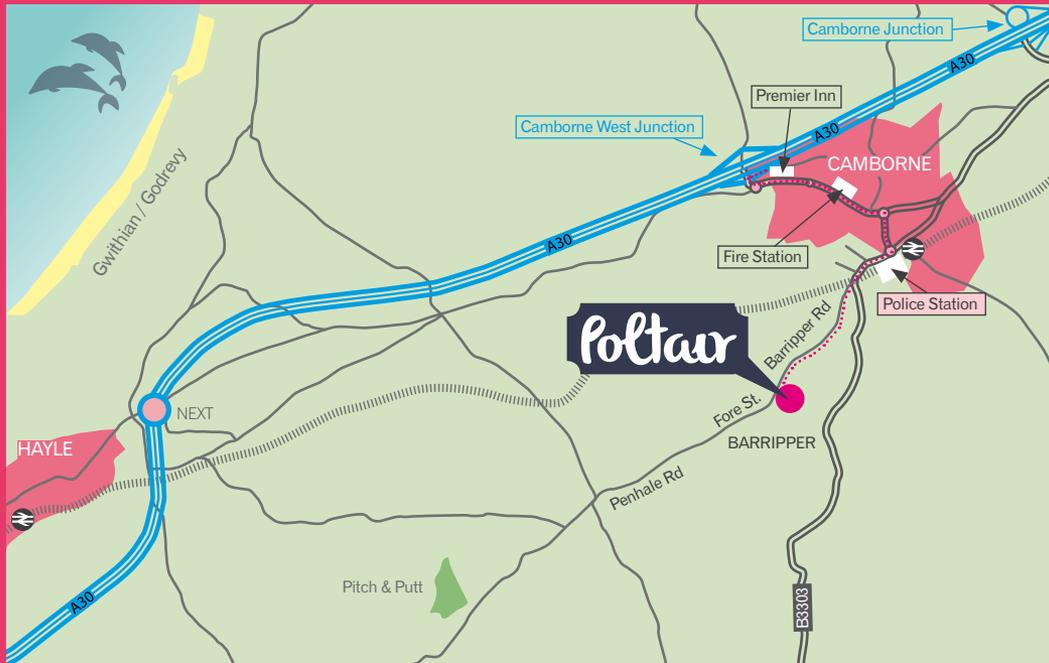

Indulgence is not our only specialty at Poltair. We place a high emphasis on your safety too, which is why the property has a secure automatic gate and a fully fenced and enclosed rear garden area, making it safe for children and dogs. And we want to extend our welcome to everyone, meaning ample parking on level surfacing, wheelchair ramps, and no steps inside the property.

It's in the Detail

Of course, it's the little touches that we think make all the difference. Which is why you will find bathrobes in each bedroom and a detailed Welcome Pack including maps and directions to everything from supermarkets to local dog walks. For anything else you need, the owner lives on site and is always available to help.
